

EVENT REPORT

I Year BTech (2024-25)

Name of the Event: *International Day of Women & Girls in Science*

Date of the Event: 11th February 2025

Student Organizer: 1st CSE F

Faculty Mentors: Ms. Pooja Nair

Chief Guest: Ms. Divina Lonappan

The International Day of Women and Girls in Science was celebrated with great enthusiasm. The event featured esteemed guests who shared their experiences and insights. The guests inspired girl students to pursue careers in science, technology, engineering, and mathematics (STEM). The students were motivated by the success stories of women in science. The event highlighted the importance of women's participation in STEM fields. The guests emphasized the need for girls to explore STEM education and careers. The students were encouraged to ask questions and seek guidance from the guests. The event concluded with a vote of thanks and a renewed sense of purpose among the students. The celebration served as a reminder of the need for greater diversity and inclusion in STEM industries. The girl students left with a newfound sense of confidence and determination to pursue their dreams in science.
